PROVA

The ultimate waterproofing system 

Dear valued customer,

We all value the ability to choose convenience in our daily lives and that is no different for the installer when they are doing multiple jobs. Wouldn't it be nice to buy outside of the box? **Now available for immediate shipment is the PROVA PIPE SEAL individual accessory item.**

As it has always been included in our **PROVA SHOWER SYSTEM**, there has been alternate demand to make our PROVA PIPE SEAL available for purchase separately as well. You now have the option to order the PROVA PIPE SEAL in a **multi-pack of 10** or in a **single pack**.

Many showers today have multiple shower heads along with the main valves, and it becomes inconvenient and costly for an installer to have to purchase more than one box kit when they only need multiples of certain components. PROVA PIPE SEAL single packs can also be used as replacements and/or repairs so installers can buy from you as they see fit for their jobs.

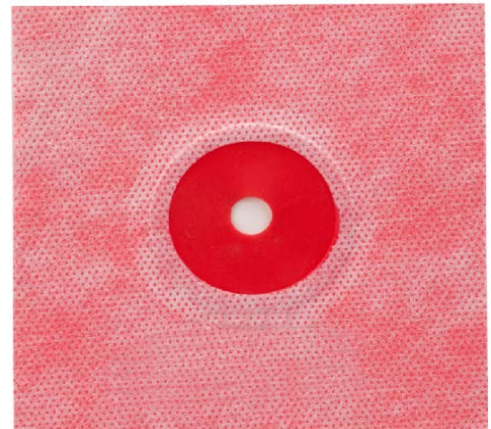

Isn't it time we both offer what the installers are looking for? Order your PROVA PIPE SEAL accessory packs today!

Kind regards,

Julia Comitale

PROVA PIPE SEAL

The **PROVA PIPE SEAL** is a pre-fabricated seal made of cut sections of **PROVA-MAT** waterproofing membrane and includes a flexible collar designed to seal protrusions and eliminate water leakage. For best results, use in conjunction with the entire **PROVA SHOWER SYSTEM** for installation.

Item	Description	Pack size
TT8102REDPSB	PROVA PIPE SEAL 4.72" X 4.72" (12x12 CM) WITH 12.5 MM OPENING - BULK	10
TT8102REDPS	PROVA PIPE SEAL 4.72" X 4.72" (12x12 CM) WITH 12.5 MM OPENING	1
